

"Let the GOLD DUST twins do your work."

Why break your back to keep your floors clean?

## GOLD DUST

will do the work twice as well, in half the time, at half the cost. It's the modern cleaning substitute for soap. A household without GOLD DUST is almost as badly off as a ship without a rudder. For your own sake try GOLD DUST in cleaning. You'll never again be without it.

John Muir has sold his farm and Dame Rumor says he will go west to grow up with the country. This neighborhood is too crowded for John.

There was a terrible railroad accident on the A. T. & S. F. here last week. No. 6 stopped at Spearville. Nobody hurt however.

U. L. Shelly and family arrived last Thursday night from Pennsylvania and will make their home here. Mr. Shelly brought with him some fine stock.

The Orientals had a special meeting last week. The "Grand High Lucky Disk" was absent and some important business had to be laid on the table or under it rather.

Our new station agent arrived last week. But we understand that he will not take complete charge of the office for a few years yet. Although he will probably dictate most of the business.

#### Notice.

Parties knowing themselves indebted to me for service fees for Norwalk, call on Frank Lopp and settle for same at once. JOE BRIGGS.

#### Robbed the Grave.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed by City Drug Store, Rath & Bainbridge.

#### FORD ITEMS.

From Our Regular Correspondent.

Miss Francis Eiland closed her pleasant term of school at Sodville, Wednesday of last week.

T. P. Sweeney took a flying trip to Hutchinson to spend Sunday with his folks. Of course he carried a little, who wouldn't under similar conditions.

Miss Kathleen Morison goes this week to take a course in the Nickerson Normal to further prepare herself for teaching. She is one of the progressive teachers of Ford county.

George Redfield transferred a large number of his cattle from his home farm southeast of Ford to his extensive ranch and pasture southwest of Dodge City Monday.

From the GLOBE-REPUBLICAN Correspondent

Miss Nellie Chapman and Prof. Held of Dodge City, guests of Ed and Fannie Brown, attended the grand opera at Ralston school house given by Miss Ada Hobble and her coterie of friends.

Wheat in South Fairview never had a better start nor the ground in better condition since farming began here. If favorable weather continues till harvest the crop will be a record breaker.

C. M. Shain will try 150 acres of corn raising according to the Campbell system the present season. He used that system last year and found it a preventative against hail storms, while his less fortunate neighbors corn crops were destroyed.

The school of H. L. Dern in district 57 closed April 3, he having the good will of all the patrons of the school for the excellent record he has made as a first class teacher. As a token of respect for Mr. Dern the ladies served a fine dinner which all heartily enjoyed. After dinner the company and scholars were assembled and had an enjoyable time listening to several recitations and songs by the excellent chorus of our vicinity. It is worthy to commend Mr. Dern for his zeal and work in the school room from the beginning of school to ending. Entertainments, a detriment to teachers and schools were omitted and the pupils received the benefit in good work.

#### Due Notice Is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed because it cures. Rath & Bainbridge.

#### Rapidly Growing.

The Harrison Mutual Burial Association which is entirely a local organization with its books and officers in Dodge City, is meeting with the most promising results. Over four hundred members are now enrolled on its books, among whom are many of our most prominent business men, county and city officials. Its officers are well known business men of our city, which will be a guarantee of careful and judicious management. Another strong feature is that the funds are all kept and handled in our own city and not by strangers. The books are open for inspection by members at all times.

The object of this Association shall be to provide a plan for the payment, by assessment of the funeral expenses of each member to the amount of One Hundred Dollars for each member ten years of age or over, and Fifty Dollars for each member under ten years of age.

On the death of a member over ten years of age, each member of the Association over ten years of age shall be assessed the sum of Twelve Cents, Ten Cents of this to be used as funeral expenses and Two Cents for paying for collection and other expenses. #### Good for Children.

The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of Cough, Croup and La Grippe because it does not pass immediately into the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure, life-giving and life-sustaining oxygen to the blood and tissues. Rath & Bainbridge.

Painter & Jones sold this week a half section of land owned by Frank Sturgeon to Mr. Kaufman of St. John, and a half section north of town to Clark Long of St. John. They also sold a section in the east part of the county.

#### A Thoughtful Man.

M. M. Austin of Winchester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 50c at City Drug Store, Rath & Bainbridge.

The Women's Home missionary society of the M. E. church will hold an Easter market at the Palace Drug store next Saturday.

For liver troubles and constipation There's nothing better in creation Than Little Early Risers, the famous little pills. They always effect a cure and save doctor bills.

Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. Rath & Bainbridge.
